

Wycombe Wanderers fans will have their first opportunity to watch the club's academy side in action when they take on Bristol Rovers at Adams Park on Tuesday 4th November (kick-off 7pm) in the first round of the FA Youth Cup.

It's the first time since 2011 that the club have entered the competition, and Chairboys fans are encouraged to take advantage of the fantastic prices of just £5 for adults – or £3 for season ticket holders - and £1 for kids, and cheer on the Professional Development Phase squad, many of whom have already become familiar faces having earned opportunities in first-team competitions earlier this season.

Tickets are now on sale from tickets.wwfc.com; parking will be free of charge but fans will be encouraged to pre-book a space, with more details to follow.

The Origin Stand will be open for this fixture, with fans able to access the Caledonian Suite before and during the game for food and drink.
