

Wycombe's deadline day business continues with the season-long loan signing of full-back Niall Huggins.

The 24-year-old is well known to Blues Head Coach Mike Dodds having been part of the Black Cats squad that won promotion from League One in 2022, and has amassed 29 senior appearances for the Stadium of Light side.

Previously with Leeds United, the York-born defender has four Wales under-21 caps and has also received a call-up to the senior squad.

Mike Dodds said: "I'm really keen on Niall as a player and we're really pleased to bring him here to give us extra competition down the right-hand side.

"He's a great lad, he works hard and has battled back from injury so he's ready to make a big impact for us here throughout the season."

Director of Football Strategy & Data Intelligence Tom Stockwell added: "Niall is a top footballer who can play in multiple positions, shapes and systems. We mainly see him operating at right and left back, but he gives us the flexibility to change in game with his versatility.

"With high energy and intensity, Niall will give us drive to carry us out the defensive shape and into attack."
