

Wycombe Wanderers' sleeve sponsor for their Carabao Cup fourth round tie against Fulham – Kress UK & Ireland – are encouraging Chairboys fans to come up with an inventive name for the Marlow Road robotic lawn mower... with a special prize in store for the winner!

The lonely mower spends hours each day parading up and down the pitches at the club's training ground and needs a name to make him feel part of the team.

Jack Strimmer, Josh Mowen, Mowey-McMowface? Come on, you can do better than that...

The competition runs from now until kick-off on the day of the game (28th October), and works like this:

- 1) *Submit your best entry via the form below before 9am on Monday 27th October*
- 2) *We'll work with Kress and a handful of players to create a shortlist of our favourite submissions that morning*
- 3) *There'll then be an online poll of the final nominees, to be voted for by you, the fans over the next 24 hours*
- 4) *The winning name will be revealed at half-time on the night of the game*
- 5) *The person who submitted the winning entry* will be invited to Marlow Road to meet the mower in person, tour the training ground and receive a shirt from the cup tie against Fulham*

*If multiple fans submit the winning name, the prize shall be given to the person who submitted the name earliest

As well as the RTKn robotic lawn mowers, Kress produces a full range of commercial battery-powered outdoor equipment featuring revolutionary 8-minute charge technology, along with cordless garden tools and boundary-wire robotic mowers — perfect for both landscapers and homeowners.

Kress continues to provide significant assistance for the club's grounds staff at Adams Park and at Marlow Road.

You can now own a Kress RTKn robotic mower at an unbeatable price and experience next-level lawn care. Explore selected Kress models at 50% off and [find your local dealership here.](#)

Get creative, and good luck! Off we mow...
