

RECRUITING: CASUAL U16 ACADEMY GOALKEEPING COACH

Wycombe Wanderers Academy require a hard-working, open-minded, smart & humble individual within the role of U16 Goalkeeping Coach.

This exciting position in our Academy will be responsible for:

- Driving the effective Goalkeeping delivery of the **U16 Programme** in alignment with our Game Model and Goalkeeping Coaching Programme.
- Supporting the planning, delivery and reviewing of outstanding **Individual Development Plans** for our U16 Goalkeepers.
- Working within the **Inter-Disciplinary Team** to maximise person and player development within the U16 age group.
- Supporting the smooth **transitions** of new, existing and exiting goalkeepers as they progress through the pathway.

Do you have what it takes?

The successful candidate will need to hold the following qualifications:

- UEFA B Licence Goalkeeping
- UEFA A Licence Goalkeeping (or working towards)
- FA Advanced Youth Award (or working towards)
- Valid Emergency First Aid in Football certification (EFAiF)
- Valid and up-to-date Safeguarding certificate

The successful candidate will need to be highly-skilled and passionate towards the development of young people and players. They will be adept at the planning, delivery and review of training/games programme. They will put the development of individual players at the heart of their work. Moreover, the individual will be capable of working effectively with other departments across the academy and football club to maximise player and person development. Lastly, the individual will be curious and open-minded to being innovative in our approach to development to support our mission of becoming a world-leading football academy.
