

Wycombe Wanderers are delighted to announce the capture of teenage striker Donnell McNeilly, who has joined Nottingham Forest from Chelsea and immediately headed out on loan to Adams Park for the 2025/26 season.

The 19-year-old has been a prolific goalscorer at various youth levels since joining Chelsea at under-12 level, netting 15 times in 28 games last season, and 27 goals in 36 appearances in 2023/24.

Head Coach Mike Dodds commented: “Donnell’s a really promising young striker who’s caught the eye in academy football and has got all the attributes to step into senior football and bring another exciting dimension to our attack.

“As well as his goalscoring ability, he’s got a lot of pace and works hard along the frontline so we’re pleased to bring him into the club and look forward to working with him over the course of the season.”
