Match Report

A squad of young Wanderers secured progression to the Quarter Finals of the Berks & Bucks Senior Cup, after slotting three past Burnham FC.

The Chairboys started out strong and took the lead in the 25th minute through a well-worked goal from Koray Gurpinar, who whistled the ball past the hosts' keeper to provide the opener.

Burnham looked to get back on level terms and came outstandingly close in the dying moments of the first half, but a fantastic goal line clearance from Cam Stones denied the equaliser that was a hair away, allowing the Wanderers to go into half time one up on the hosts.

Returning for the second half, the Chairboys were looking to build on what they started in the opening 45 and made their break through Stones, who was brought down by the keeper in the penalty area and converted his subsequent spot kick in the 75th minute.

Though the young Wycombe side looked certain for progression with their 2-0 lead, Micah Olabiyi sealed the deal as he swiped an effort under the keeper and found the back of the net in the 94th minute to make it 3-0.

The Chairboys will now face current title holders, Bracknell Town, in an away Quarter Final tie (date TBC).
