Chairman's Forward

This Brochure has been produced to mark the exceptional achievements and capture some of the wonderful moments this year, and I trust it will bring back some glorious memories.

Three years since we left the slopes of Loakes Park seems such a short period but, when you measure our achievements during that time, you are left wondering how on earth we were able to fit it all in.

This season has captured the imagination of the media and I trust many new supporters to Wycombe Wanderers.

We started the season with a quote I made at the end of last year: "watch us come out of the traps next year". A quote made with tongue in cheek after our disappointment at being pipped at the post by Colchester, and having to endure the last minute demise of Maidstone.

Our aim has always been Football League status and we certainly completed this season with our eyes fixed on that goal.

Your support has always been of the highest order and in the years to come we will need every ounce that is

available as we push for greater goals.

To all our advertisers and sponsors on behalf of the Board of Directors, our grateful thanks for your support during the recession which has affected us all; the effort has been appreciated.

The full time and part time staff have been very busy during our many matches and have at times during cup matches had to deal with your strong demands, but as always have found time to smile, to help the situation. Thank you all.

The demand on our part time players has, of course, created a demand to their employers for time off and I would like to convey my thanks to them, and particularly the squad of players who have made this season such a memorable one.

None of the foregoing could have been achieved without Martin O'Neill's creative skills, and his total commitment to the eventual target has never wavered. The last three and a half years have been excellent for both Club and Manager and I look forward to the next two years with the same enthusiasm and excitement.

Ivor L. Beeks

Editor's Notes

During the summer I was requested to produce this brochure to record the Club's remarkable achievements of 1992/93, and I hope that readers will find it a worthy souvenir of such memorable times. To that aim, I have included photographs (courtesy of Brian Southam and Paul Dennis), the majority of which have not been published before, and various statistics (mainly thanks to Dave Finch) which I hope you will find interesting. Finally, there is a look ahead at our Football League Division III opponents - thanks to Steve Peart for his efforts in this area.

Our last handbook was produced in 1989 and looked back at season 1988/89. In his excellent editorial my predecessor Philip Ball described the season as ".... probably the most memorable ever experienced by many of the present contingent of Wanderers fans when our Club was finally able to compete at the very top level of non-league football" (we had finished fourth in the Conference and reached the quarter-finals of the F.A. Trophy). Surely neither Philip, nor indeed anyone else connected with the Club, could realistically have hoped for so many successes over the next four years, or foreseen what this next handbook would be commemorating. Two factors, of course, have proved paramount in this period - the arrival

of Martin O'Neill as Team Manager and the move from the homely and beloved Loakes Park to the forward looking Adams Park. Martin arrived in February 1990 at a time when all the good work of 1988/89 was in danger of falling apart. He was to ensure we finished the league in a creditable tenth position, landing the Berks and Bucks Senior Cup for good measure. He has brought out the best in those players already at the Club whilst introducing some quality new recruits - without spending large sums of money. Since the move to Adams Park the players have produced performances on the pitch equal in quality to the facilities off it - in three years of Conference football only 8 of 63 home league games have been lost, and two of these were at the end of last season when we had to play a ridiculous 13 games in 33 days - the price of success indeed! Details of both Martin's full record at Wycombe and our full playing record at Adams Park can be found elsewhere in this publication.

With the Manager pledging himself to Wycombe Wanderers for a future term, and pre-season ticket sales exceeding all expectations, optimism is naturally high for 1993/94. Make sure that you are there, on the terraces or in the seats, to watch as the next chapter of the Club's history evolves.

The Manager's Thoughts

by Martin O'Neill

When David Carroll scored the fourth goal at Wembley to give us an unassailable lead I relaxed and enjoyed the last three minutes of the game. I may be half joking but I'm half serious as well. Despite having the Vauxhall Conference Championship securely wrapped up, I think we all wanted the season to end on a perfect note. I know some of the fans who came to the Football ground to buy their Wembley tickets were saying that they were going to enjoy the day, win or lose. But I'm not so sure that losing the Final would have rounded off the "perfect day". I was also concerned that the number of games the players had to play in the month of April would eventually take its toll - losing the last minute goal to Northwich Victoria and then the Drinkwise Trophy itself in extra time was the supreme example of a very tired team - so we tried to prepare for the Final in as professional manner as

possible. The Chairman gave us permission to have an extra night at our hotel headquarters in St. Albans and the few days rest we had there coupled with a minimum amount of training gave us the opportunity to re-charge and re-focus. One never knows for certain whether this way of preparation has any effect on performances at all, but suffice to say that we won the game with a lot of hard work, commitment and desire and eventually won with a bit of style and a bit in hand. I didn't really get a chance to enjoy the celebrations both immediately afterwards and the following Monday evening in the town square, because of the possibility of going to manage Nottingham Forest. Enough has been said about the matter already - actually it's quite boring now - but for better or worse I'm here for the start of next season and, if you can stand the sight of me, the following season also. A week

is a fairly lengthy period in football at the best of times so, as for two years - well, you will be the judge of that I'm sure.

As I write this piece we have signed ten full players from within our own ranks. I'm hoping to muster at least 15 full time players by the start of our pre-season friendlies - we're not a million miles away from doing that - to give us a proper chance of doing well in the Third Division. While I am optimistic about our future I am far from over confident. Remember next season we will be playing against players whose living is also on the line. I know, from my own experience as a professional footballer, that there are a few nasty shocks and jolts along the way. If we can overcome these obstacles with a bit of "stickability" (is there such a word?) then I think we will do well.

I cannot wait!

How the Championship was Won

A step by step souvenir with match summaries by Dave Finch and Adrian Wood

MATCH No. 1 August 22nd 1992

MACCLESFIELD TOWN A Drew 1-1

Attendance: 1,397

Referee: Mr. S. Race

Scorer: Casey (44)

Considering our recent results against the Silkmen this was overall a satisfactory start to the campaign. We enjoyed most of the possession in the first period, but things looked ominous when we fell behind after only 8 minutes. A generally scrappy second half saw both sides seemingly content to share the points.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson, Carroll, Casey, Stapleton, Scott (Ryan), Guppy.

Sub. (not used):- Greene

MATCH No. 2 August 25th 1992

WELLING UNITED H Won 3-0

Attendance: 3,530

Referee: Mr. D. Shadwell

Scorers: Thompson (70), Scott (85), Casey (90)

A superb performance for our first home game. We attacked more or less non-stop. A series of near misses was finally broken with twenty minutes to go, then, as Welling crumbled, we added two more. Their cause wasn't helped with the dismissal of two men.

Wycombe Team:- Hyde, Cousins, Crossley, Hutchinson, Creaser, S. Thompson, Carroll, Casey, Stapleton, Scott, Guppy.

Subs. (not used):- Greene, Ryan.

MATCH No. 3 August 29th 1992

GATESHEAD H Won 2-1

Attendance: 3,290

Referee: Mr. M. Bullivant

Scorers: Stapleton (7), West (75)

We got off to a flying start then lost our way as Gateshead gained a lot of possession either side of the interval. It took a welcome goal from substitute Mark West to clinch the points in a rather unconvincing display.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson (Ryan), Carroll, Casey (West), Stapleton, Scott, Guppy.

MATCH No. 4 August 31st 1992

FARNBOROUGH TOWN A Won 2-0

Attendance: 2,678

Referee: Mr. K. Pyke

Scorers: Scott (48), Stapleton (82)

A fine all round team performance saw us outplay the Hampshire outfit for most of this Bank Holiday clash. Whilst our defence was seldom extended, it was only inspired goalkeeping and woeful finishing at the other end which saved Ted Pearce's men from being totally embarrassed.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson, Carroll, West (Greene), Stapleton, Scott, Guppy.

Sub. (not used):- Ryan

MATCH No. 5 September 5th 1992

TELFORD UNITED H Won 4-0

Attendance: 3,414

Referee: Mr. S. Tomlin

Scorers: Scott (36), Carroll (58), Kerr (85), Casey (88)

Despite not being at our best, some clinical finishing put us on top of the League for the first time. Telford forced the

pace for long spells with some nice football, but couldn't finish.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson (Ryan), Carroll, Casey, Stapleton, Scott, Guppy.

Sub. (not used):- West

MATCH No. 6 September 9th 1992

BOSTON UNITED A Won 3-0

Attendance: 1,460

Referee: Mr. I. Grandidge

Scorers: S. Thompson (17, 33), Curtis (o.g. 42)

We exploited the Pilgrims' poor start to the season with a fine all round performance. Our hosts were left shell-shocked by the first half battering (by Thompson especially) of their goal, and were fortunate not to concede more goals after the interval.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson, Carroll (Ryan), Casey (West), Stapleton, Scott, Guppy.

MATCH No. 7 September 12th 1992

MERTHYR TYDFIL A Won 4-1

Attendance: 1,408

Referee: Mr. M. Sims

Scorers: Casey (23), Thompson (30), Scott (49, 67)

A second "champion-like" performance in four days, this time against the Welshmen who had finished the previous season in fourth position. Although a harsh penalty decision had put the hosts back in the hunt just before half-time, our forward line always looked likely to increase our "goals for" tally.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson, Carroll, Casey (Greene), Stapleton, Scott, Guppy.

Sub. (not used):- Ryan

MATCH No. 8 September 15th 1992

YEOVIL TOWN H Won 5-1

Attendance: 3,769

Referee: Mr. R. Harris

Scorers: Harrower (o.g. 14), Kerr (27), Scott (pen 53), Casey (57), Stapleton (79)

Another dazzling display as the goals continued to roll in. Yeovil played their part too in a fine game, the highlight of which was a superb goal from Simon Stapleton, whose early season form was a revelation.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson, Carroll (Ryan), Casey (Greene), Stapleton, Scott, Guppy.

BROMSGROVE ROVERS H Won 4-0

Attendance: 4,282

Referee: Mr. W. Norbury

Scorers: Carroll (36, 40), Casey (54), Stott (o.g. 57)

Another impressive performance against a good looking visiting side who were killed off with a four-goal burst in 21 minutes. Dave Carroll celebrated his 200th appearance in fine style.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, S. Thompson (Ryan), Carroll (Greene), Casey, Stapleton, Scott, Guppy.

MATCH No. 10

September 26th 1992

KETTERING TOWN A Won 4-0

Attendance: 3,021

Referee: Mr. K. Lynch

Scorers: Casey (6), Stapleton (18), Carroll (29), Scott (40)

Had this been a boxing match, the referee would surely have stopped the contest at half-time. The Poppies, beset by financial problems off the field, enjoyed little luck on it - being hit by some clinical Blues finishing and, at the other end, finding a Paul Hyde in fine form.

Wycombe Team:- Hyde, Cousins, Crossley (West), Kerr, Creaser, S. Thompson (Ryan), Carroll, Casey, Stapleton, Scott, Guppy.

MATCH No. 11

September 29th 1992

BATH CITY

A Lost 0-2

Attendance: 1,283

Referee: Mr. D. Campbell

After Rockingham Road it was down to earth with a bump three days later when, at a damp Twerton Park, we suffered our first reverse of the campaign. To be honest, we got what we deserved - two sloppy goals were conceded within the first 18 minutes and although we enjoyed the greater possession, we rarely looked like getting back into the game.

Wycombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, Ryan (Hutchinson), Carroll, Casey, Stapleton, Scott, Guppy.

STALYBRIDGE CELTIC

H Won 4-0

Attendance: 4,120

Referee: Mr. P. Griggs

Scorers: Casey (34), Scott (44), Guppy (68), Stapleton (76)

We bounced back from our first defeat with another example of class finishing, although the game never reached any great heights.

Wychcombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, Hutchinson, Carroll, Casey, Stapleton, Scott (Greene), Guppy.

Subs. (not used):- Ryan

We gained swift revenge for our earlier defeat but were made to fight for it by a hard-working visiting side who packed their midfield. Two early second-half goals were enough, although Bath wasted a couple of chances shortly afterwards.

Wychcombe Team:- Hyde, Cousins, Covington, Kerr, Creaser, Hutchinson (S. Thompson), Carroll, Casey (Greene), Stapleton, Scott, Guppy.

MATCH No. 13

October 10th 1992

BROMSGROVE ROVERS

A Lost 0-1

Attendance: 3,675

Referee: Mr. J. H. Holbrook

The last few minutes made this game "unlucky number 13" for the team. With goal chances generally few at both ends, Whitehouse firstly grabbed the winner, then Creaser was somewhat harshly shown the red card. Generally an ill-tempered contest, with the Rovers showing they had learnt lessons from Adams Park three week earlier.

Wychcombe Team:- Hyde, Cousins, Crossley, Kerr, Creaser, Hutchinson, Carroll, Casey, Stapleton, Scott, Guppy.

WITTON ALBION

H Won 2-1

Attendance: 4,731

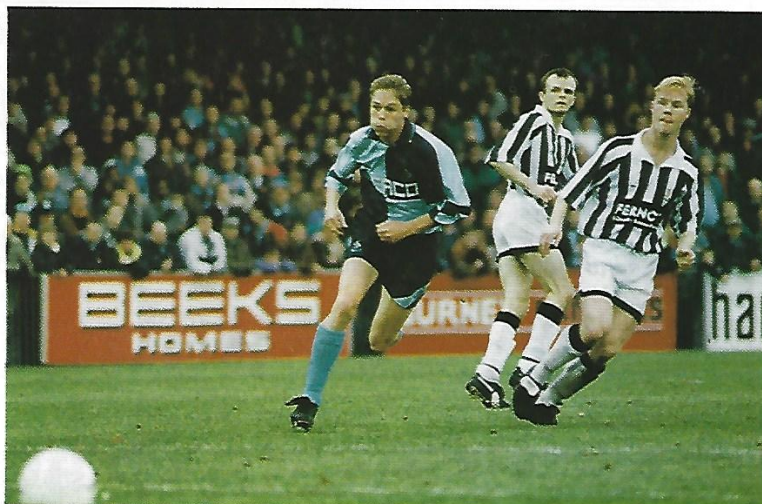

Referee: Mr. D. Campbell

Scorers: Kerr (25), Casey (68)

An excellent win after conceding an early goal. Witton, with Thomas always a danger, almost made us pay for several wasted chances, including a penalty miss by Keith Scott. Only two incredible saves from Paul Hyde prevented Thomas and Burke scoring late in the game.

Wycombe Team:- Hyde, Cousins, S. Thompson, Kerr, Crossley, Hutchinson, Carroll, Casey, Stapleton, Scott, Guppy.

KIDDERMINSTER HARRIERS A Won 4-1

Attendance: 3,064

Referee: Mr. J. McGrath

Scorers: Thompson (2), Scott (pen 12), Guppy (44), Casey (77)

We refound the goalscoring knack on our travels and got off to a great start - 2-0 up after only 12 minutes. With the Harriers enjoying plenty of possession, the finishing was the difference between the two sides. Hyde made two fine saves early in the second half, and Casey enjoyed his goal against his former team-mates.

Wycombe Team:- Hyde, Cousins, S. Thompson, Kerr, Crossley, Hutchinson (Greene), Carroll, Casey, Stapleton, Scott, Guppy.

We disappointingly dropped our first home points of the season after an excellent start. Stafford had drawn level by half-time and proceeded to have the better of things after the interval.

An entertaining contest with plenty of attacking ideas from both sides. Overall, on clear cut chances, we probably should have won, but old adversary Karl Thomas caused our defence plenty of problems and we twice had to come from behind to secure a share of the points.

Probably our best away performance since Merthyr on September 12th. After a hard fought first 25 minutes, our midfield, with Thompson and Stapleton outstanding, took command, and the result was never in doubt after the first of Guppy's fine strikes. Indeed, missed chances meant that the previous season's Diadora champions were fortunate to escape with only a three goal deficit.

Most probably the low point of the season for everyone connected with the club. Our biggest defeat of the term due to a disastrous second-half which included a Cousins own goal and the sending off of Stapleton. With attacking ideas non-existent it was definitely our worst League performance of the season.

Wycombe Team:- Hyde, Cousins, L. Thompson, Kerr, Ryan, Hutchinson, S. Thompson, Casey (Greene), Stapleton, Scott, Guppy.

Our poor run continued, although this was generally an improved performance. New signing Tim Langford wasted two good first-half chances while Town's Coney did likewise. The vital breakthrough appeared to have been made with Scott's late goal. However, three minutes later Horton equalised.

An action-packed game on an emotional evening. The atmosphere of the record crowd was electrifying. More injuries were sustained with both Scott and Stapleton joining the casualty list. Then Andy Kerr was dismissed early in the second half but, with the crowd roaring us on, sheer determination carried us through.

A crucial result, coming just 48 hours after the demanding home clash with Slough. Trailing 1-0, the turning point was West replacing the injured Carroll on the half hour. With Ryan reverting to midfield West inspired a remarkable second-half performance with our attacking play causing the Daggers' defence major problems.

A stirring finish rescued a point after we had let slip an early lead. Boston seemed to have sealed the game with their third goal midway through the second-half. To make matters worse, Bastock saved West's penalty after Chambers had been sent off for handball. However, West soon made amends and Ryan grabbed his second to level matters.

Our recent disappointing home form continued with two more points dropped. As with so many of the visiting sides Woking raised their game (they had lost 5-1 at home on the previous Saturday). Our cause wasn't helped by the dismissal of Jason Cousins for two bookable offences. The game itself saw few chances. Steve Guppy chipped onto the bar after a surging run.

An excellent local derby played in a good spirit. We created (and missed) several good chances early on. The contest was more even after the break but Langford's first goal for the club seemed to have won the points before a moment of opportunism by the Rebels' Hazel. We made the short journey home knowing we now needed only a further four points to be confirmed champions.

A fine comeback, having been 2-0 down after only seven minutes. Both sides showed plenty of commitment and the game was played at a non-stop pace. The Shropshire side were certainly out to avenge their mauling back in September at Adams Park by the ferocity of some of the tackling! We said goodbye to our Conference travels with a hard earned victory at Marston Road. Considering it was very much a "scratch" side against opponents who were to finish sixth in the table, we did very well to record our 11th victory from 21 away outings. Langford took his chance well and although Rangers had most of the play our defence, with Crossley and Vircavs outstanding, stood

The above statistics do not include the 5-0 and 5-3 wins over Newport County in the 1988-89 season which were expunged from the record books due to Newport's demise. The three goals scored by Mark West in those games would have taken him over the 100 goal mark. Wycombe's biggest wins have been 6-1 over Stafford Rangers (1988-89), Fisher Athletic (1989-90) and Telford United (1991-92). The heaviest defeats were 0-7 at home to Barnet (1987-88) and 2-8 at Kidderminster (1985-86).

The longest undefeated run against any club is 13 games against Welling United, whilst it is eight games since securing a win over Macclesfield. It also took Wycombe until their ninth attempt before beating Kettering, although this was done in style with a thumping 5-1 win at Adams Park.

Another interesting fact is that Wycombe never beat Northwich at Loakes Park in four attempts, yet didn't concede a goal in three wins at Adams Park. They were also unbeaten at Maidstone, yet never beat the Kent side at home.

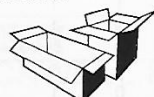

In the 1985-86 season, despite being relegated, the double was completed over Champions Enfield, 1-0 at home and 3-2 away. Enfield Stadium in fact was always a source of goals, with the sequence there being 3-2, 2-3, 4-3 and 5-3.

The most goals scored by a player in a game is four by Mark West over both Kettering and Sutton at Adams Park in the 1990-91 season and by Dennis Greene at Altrincham (1991-92). The most goals scored by an opponent was when Nicky Francis scored all five of Enfield's goals at Loakes Park on 10th October 1987.

Another Successful Season for the Youth Team

by Alan King

Wycombe Wanderers Youth Team 1992-93 season in the Allied Counties Youth League saw us finish runners up for the second successive season, losing 5-4 on penalties, having drawn 1-1 with Hungerford Town after extra time in the play-off final.

We had previously won the North Section of the ACYL by ten points, winning 11 of the 12 matches, scoring 55 goals with just nine against.

In the ACYL Cup we lost in the semi-final to the eventual double winners Hungerford Town having earlier defeated Aylesbury United, Meadow Sports and Slough Town.

Success came our way in the F.A. Youth Cup when the team reached the last 32 of the competition. In the third round we lost in a replay to Brighton and Hove Albion at the Goldstone Ground having held them to a 1-1 draw at Adams Park. Previously we had defeated Leighton Town, Bromsgrove Rovers, Rothwell Town, Bedfont Town and Cambridge City to be the last non-league team in the Competition.

Photo opposite - Mark Hall (out of photo) scores our first goal against Uxbridge in the league play-off semi-final.

An entertaining Cup Tie played in appallingly wet conditions! Our rather experimental line-up started somewhat uncertainly but ended the two hours much stronger than the hosts. We overcame the psychological blow of conceding a 90th minute equaliser and a header from Greene booked our place in the Quarter-Final.

Another experimental line-up, and overall a fairly comfortable victory over the Somerset side who, although enjoying some 80% of the possession, rarely produced a final effort to threaten Moussaddik's goal. With Kerr and Crossley in dominant form at the back we were content to hit the home side on the break and Scott's early header decided the contest.

Wycombe Team:- Moussaddik, Stapleton, Crossley, Kerr, Ryan (Norman), Barrowcliff, Greene, S. Thompson, West, Scott, Gooden.

This was a superb game of football in which we were always in control. Keith Ryan gave a class display in midfield and there was a goalscoring return from injury by Kim Casey.

Wycombe Team:- Hyde, Stapleton, L. Thompson, Kerr, Crossley, Gooden, Ryan, Casey (S. Thompson), Barrowcliff, West, Guppy (Hutchinson).

DAGENHAM & REDBRIDGE A Drew 0-0

Wycombe won 3-1 on aggregate.

Attendance: 1,247

Referee: Mr. I. Mitchell

A good all round performance which frustrated the East Londoners' attempts to get back into the tie. Indeed we had several good chances to extend our aggregate lead in

the last 15 minutes. Kerr and Crossley were in dominant form at the back and behind them Hyde made several good saves when required.

Wycombe Team:- Hyde, Stapleton, Barrowcliff, Kerr, Crossley, Gooden, Ryan, Greene, West, Scott, Guppy.

NORTHWICH VICTORIA A Drew 0-0

Attendance: 1,005

Referee: Mr. J. T. Winter

As per the two League meetings, this was another very close contest with the defences generally well in charge and with real goal opportunities at a premium for both sides. We were generally in control of the first period, but possession was more equal in the second period. Overall, a disappointing first leg for both sides.

Wycombe Team:- Hyde, Crossley, Cooper, Kerr, Vircavs, Carroll, Hayrettin, Casey (Hutchinson), Aylott, Ryan, Guppy.

Northwich are always attractive visitors and they again proved their worth in this rousing Cup Tie. Old campaigner Gordon Davies grabbed a well-taken hat-trick to deny us a clean sweep of the major trophies, his second a minute from time after Mark West looked to have won us the game.

Wycombe Team:- Hyde, Cousins (Ryan), Cooper, Crossley, Vircavs, Hutchinson, Carroll, Hayrettin, West (Greene), Scott, Guppy.

A hard-fought game on a wet afternoon. We got off to a great start, then faltered as Merthyr battled back, overwhelming our midfield. A late goal gave us a flattering win.

A wonderful night at The Hawthorns and our performance will long be remembered by those present and those viewing the game live on Sky TV. For most of the 90 minutes we at least matched the Division Two side. Efforts by Scott, Creaser and Thompson could easily have caused an upset before full time status eventually proved to be the difference between victory and defeat.

CHELTENHAM TOWN

H Won 3-1

Attendance: 3,964

Referee: Mr. D. Gallagher

Scorers: Carroll (2), Scott (9), Kerr (30)

A comfortable passage against one of our "bogey" teams, with all the goals in the first-half hour. The score could have been doubled in the second-half for Greene, Creaser and Guppy all hit the woodwork.

Wycombe Team:- Hyde, Cousins, Crossley (West), Kerr, Creaser, S. Thompson (Hutchinson), Carroll, Green, Stapleton, Scott, Guppy.

Away to a side enjoying life near the top of the HFS Loans Premier League this was always going to be a difficult tie. And so it proved - the woodwork twice came to our rescue and we could easily have bowed out. Overall however it was a good hard fought performance and Scotty's header seemed to have won the tie at the first attempt until the home side's deserved equaliser, four minutes from time.

A surprisingly comfortable win over one of the favourites for the competition. Our back four were in superb form after losing Jason Cousins to an injury during the first-half. Only some fine late saves by keeper Green kept the score down.

Defensive errors left us with a lot to do in the second leg. Sutton's speedy and skilful front runners always caused us problems on the counter-attack. Several late corners came to nothing although Keith Ryan was unlucky after a great run.

Wycombe Team:- Hyde, Cousins, Hayrettin, Kerr, Vircavs, S. Thompson, Carroll, Ryan, Aylott (Greene), West (Hutchinson), Guppy.

SEMI-FINAL (2nd Leg)

A Won 4-0

Attendance: 5,002

Referee: Mr. D. Frampton

Scorers: Crossley (34, 51), Scott (48), Carroll (77)

A fine all-round powerful performance which more than made up for the first leg's short comings. Our determination to return to Wembley was evident from the start. Early chances were created - and missed, but our double strike at the start of the second period effectively ended the contest. Wonderful celebration scenes at the end, reminiscent of Altrincham two years earlier.

A Perfect Finish to a Perfect Season

by Steve Peart

Wycombe went to Wembley as one of the hottest favourites in years and they duly gave a stylish display with excellent finishing in front of their adoring fans to become the third team to achieve the non-league double. But you have to feel some sympathy for Runcorn who probably felt it was not going to be their day when they arrived in the changing room. Not only was the cover of the official programme printed in light and dark blue but the photo of the Trophy inside was bedecked in light and dark blue ribbons! Two years ago, Graham Allner, the Kidderminster Manager, said that his team effectively lost the final against Wycombe when they emerged from the players' tunnel and saw a mass of blue in front of them. That day some 23,000 Wycombe fans were part of a record crowd of 34,842. For Runcorn it could only have been worse as this time the crowd of nearly 33,000 contained over 27,000 Blues fans in a huge arc facing their entrance, and the 20,000 blue balloons which took to the air made it an even more daunting spectacle. The Linnetts had sold only 2,800 tickets, partly because rugby league side and neighbours Widnes had played at Wembley the previous week. Runcorn reckoned that failure to reach the Final could have meant the immediate demise of the Club but their share of the receipts has ensured financial survival for at least another year.

A party atmosphere was the order of the day and any tension that remained was quickly dispelled by one of the quickest goals in the history of Trophy Finals. It came after 2 minutes and 18 seconds and it was Jason Cousins's first goal for 18 months, a marvellous strike around the defensive wall after Graham Hill had lent on Keith Scott. To say that Jason was ecstatic is putting it mildly and he treated the crowd to a specially rehearsed celebration dance with Keith Scott. Runcorn came back strongly, forcing a number of corners, but Wycombe made it two goals from just two attempts midway through the half when Andy Kerr headed home a Dave Carroll free kick, following another Graham Hill again foul, this time on Steve Thompson. It was his 30th goal for the Club and virtually

all of those have come from a Carroll/Guppy cross. Once again, Runcorn pressed hard and it was no surprise when the ever dangerous Steve Shaughnessy scored probably the best goal of the match just before half time, when he outpaced the Wycombe defence and unleashed an unstoppable shot from 22 yards.

Shortly after the break, Simon Hutchinson, on one of his flying runs, was brought down on the edge of the box by Paul Robertson. Some might say it was inside the area, but the resulting free kick from Steve Guppy appeared to be pushed away by Graham Hill, arm outstretched. "Handball", shouted 20,000 Blues fans, but no-one on the pitch appealed for a penalty and play continued. Runcorn continued to pose some problems, notably when McKenna forced Hyde into an excellent full-length save, but Wycombe stretched their lead when Steve Thompson, playing up front with Keith Scott this afternoon, was first to a Steve Guppy inswinging corner, heading home from close in. Scott then had two excellent chances to get his name on the score sheet, forcing a miraculous save from Williams and then glancing a header just wide. Eight minutes from time, Runcorn really knew it was not to be their day when a McKenna header thudded against the inside of the post and Paul Hyde had to make a crucial finger-tip save to stop it crossing the line. McKenna protested in vain that it had gone in and, had it counted, it would have been a frantic final few minutes. As it turned out, Wycombe took a tighter control, finding more and more space up front as Runcorn pushed forward. Thompson nearly scored his second, shooting just wide, and then in the final minute Runcorn completed a miserable afternoon on the pitch when they gifted a goal to their now dominant opponents. A Dave Carroll chip from a narrow angle appeared to be harmlessly drifting into the goalkeeper's arms but Williams only succeeded in pushing the ball into the corner of the net. Dave did confirm afterwards that it was a shot and not a cross! It may have been a fortunate finish, but the build up was excellent with Cousins dispossessing McKenna deep in the Wycombe half, the ball passing to Scott, Thompson, Cousins again and finally Carroll. After three more minutes of stoppage time the final whistle on Wycombe's 109 year non-league history blew and the most successful season ever drew to a close.
