

Wycombe Wanderers Academy are recruiting for an Academy Doctor based at Harlington Training Ground, with applications welcomed ahead of the closing date of Friday 7th November.

Reporting to the Head of Academy Sport Science & Medicine and the club doctor, this role will contribute to the evolution of our academy medical team.

We're looking for a dedicated doctor, with postgraduate qualifications in the sporting setting and who is competent in the care of the paediatric and adolescent population.

The successful candidate will be responsible for providing medical leadership and clinical governance support to the Performance and Medical Department.

You will co-ordinate, support and deliver sports medicine provision, ensuring players receive optimal medical care to enhance performance, safeguard player welfare and comply with regulatory standards.

This is a part-time role with a once weekly attendance in-person at the academy training ground, but also including periodic evenings, weekends and travel.

Matchday coverage of the senior team will be required on occasion to cover for the club doctor in the event of sickness or other unavoidable commitments.

See below for the full job advert, and if you wish to apply, send a CV and covering letter expressing your interest and suitability, to jobs@wwfc.com . Title your email "Academy Doctor".
