

Dig out a retro Wycombe shirt and wear it with pride this Saturday at Adams Park as we toast the club's 138-year history at the home game nearest to the anniversary of our first ever match.

We drew 0-0 with the Wycombe Nose Club on 24th September 1887 in our first recorded fixture, and we're encouraging fans to show their long-time support of the club by sporting a replica shirt from our history.

Can't get to the game? You can still join in by wearing a vintage Chairboys item on Saturday or on Wednesday - the anniversary itself - and sharing photos online, tagging us (@wwfcofficial) on social media.
