

We are delighted to announce that starting from Saturday, our brand new Mini Blues Zone will be available on all matchdays!

Provided by Shields and Dragons, the room contains a variety of activities to keep your children occupied including arts and crafts, a sensory corner, board games, a games console and an air hockey table. The room will be overseen by fully qualified staff at all times, providing a safe play space for your children open until kick off.

The room is located right next to the Caledonian Suite, free entry, and open from 12pm on Saturday - see you there!
