

Wanderers are delighted to reveal that Jamie Bates will be back at Adams Park as a special guest for the FA Cup first round tie against Plymouth Argyle on Saturday 1st November (k.o. 3pm), as part of the celebrations of the 25th anniversary of the club reaching the semi-final of the world-famous competition.

The heroic defender (pictured, centre) scored twice in the first round win over Harrow Borough that year and went on to star in every round, setting up Roy Essandoh's famous winner at Leicester City in the quarter-final.

Batesy will be joined by fellow stars of the 2000/01 squad - with names to be revealed closer to the time - in the Legends Lounge throughout the afternoon, as well as being welcomed onto the pitch at half-time for a special reception from the Chairboys faithful.

You can mingle with the heroes of 2001 in the Legends Lounge for just £54 per person (including your match ticket), while it's just £42 for under 18s. Find out more below.
