

Wycombe Wanderers are looking for a new recruit in our People Support Department within the role of Academy Education Lead (Maternity Cover).

We are a **growing and forward-thinking department** with an innovative focus on the **holistic development of young people** — nurturing not only their performance and academic ability but also their identity, wellbeing, and mindset.

Our work goes beyond football; we aim to support our players to **discover who they are**, unlock their potential, and become the most **successful and fulfilled versions of themselves**, both on and off the pitch.

Who we're looking for?

To help us realise our ambition we're not just looking for people to fill roles; we're searching for those who are passionate about helping us build something special and create meaningful change.

By joining us now, you'll help shape a culture built on innovation, collaboration, and continuous improvement. Your insight and ideas will strengthen a department that's redefining how education and personal development work together within elite football.

As part of our exciting journey, the club's future holds significant opportunity — a chance to help **create something unique and bespoke within the education and support sector of football**.

This important position in our Academy will be responsible for:

- **Academic Outcomes**
- **Safeguarding**
- **Further Education**
- **School Liaison**
- **Player Care & Enrichment**
- **Compliance**
- Working within the **Inter-Disciplinary Team** to maximise person and player development within the PDP via **Individual Development Plans**.

To apply, email jobs@wwfc.com with a copy of your CV and a cover letter by Friday 14th November.
