

Wycombe Wanderers' ever-popular Golf Day is BACK this autumn, taking place at Wycombe Heights Golf Course on Wednesday 1st October, sponsored once again by club partners Kress UK & Ireland.

Open to all supporters as well as current or prospective sponsors and partners, the Golf Day is a regular fixture on the Chairboys' events calendar, combining sporting prowess with fine food and entertainment, with prizes to be won.

The Golf Day starts with a breakfast at 8.30am before our teams tee off with a shotgun start at 10am, returning to the clubhouse for a two-course meal, prize giving, a raffle and a Q&A with a special guest.

There'll be awards for both the individuals and teams who come out on top, as well as for the winners of our Longest Drive and Closest to the Pin contests.

Entry costs £550 + VAT for a team of four, with an early bird price of £500 for teams who book before 8th September. Individual places may be available on request if there is sufficient uptake to form a four-ball.
