

**Wycombe Wanderers are recruiting for a First-Team Performance Analyst to support the coaching staff by providing detailed performance insights and data-driven analysis to enhance team preparation, player development, and matchday strategies.**

Working closely with the technical team, the role involves collecting, organizing, and interpreting performance data, video footage, and tactical trends to inform decision-making at the elite level.

This role requires a proactive individual who can work under pressure in a fast-paced professional football environment, contribute to training, pre- and post-match analysis, and assist in delivering clear and concise performance reports tailored to coaches and players.

A passion for football, attention to detail, and a commitment to continuous improvement are essential.
