

Wycombe Wanderers are delighted to announce the appointment of Michael Duff as the club's new Head Coach.

The 47-year-old arrives at Adams Park with pedigree of winning promotion in his first management position with Cheltenham Town and leading Barnsley and Huddersfield Town into promotion battles in League One, as well as working in the Championship with Swansea City.

Following a successful playing career at every level from National League South to the Premier League, Duff also spent time coaching in Burnley's youth setup, working with their under-18s and becoming Head Coach of their under-23s before embarking on a new challenge with Cheltenham in 2018, achieving their highest ever Football League finish.

Everyone at Wycombe Wanderers would like to welcome Michael to the club and look forward to working with him to support the club's goals of competing at the highest level possible in this league and beyond.
