

The young forward makes his way back to Tonbridge Angels after a short loan spell with them last season. Peart joined the Angels back in February 2025 but returned to Wycombe after sustaining an injury during his time away.

Following his recovery, Peart linked back up with the National League side to see out the remainder of the season, making 11 appearances for the team across 2024/25.

The loan deal sees Peart with the Angels until January 2026.

Good luck, Brody!
