

Wycombe Wanderers have teamed up with Holiday Inn High Wycombe and Carousel for a new Park and Ride service which will operate between the Holiday Inn hotel on Handy Cross roundabout and Adams Park on home matchdays.

Operated by Carousel, the service will collect passengers from the bus stop outside the Omniplex cinema next to the Holiday Inn at 1.30pm and 2.15pm, arriving at the stadium 15 minutes later. Passengers are welcome to make use of the hotel bar area while waiting for the bus.

Supporters must book tickets for the Park and Ride service before 4pm on a Friday by heading to tickets.wwfc.com. Please note you must register your vehicle registration number at the checkout at the point of buying online, and this will be passed on to Holiday Inn to bypass ANPR parking restrictions.

You will then need to show your digital ticket to the driver on boarding the bus.

The service is charged at £10 per vehicle irrespective of the number of passengers, i.e. it costs £10 to park a vehicle and all passengers in that vehicle can then board the bus.

The return service will collect close to the Adams Park gates at 5.30pm and 6.10pm, arriving back at the Holiday Inn 15 minutes later.
