Match Report

Wanderers' first pre-season in front of supporters ended in defeat as Sutton United clinched victory with a late strike from Kane Crichlow at the VBS Community Stadium on Tuesday night.

Caolan Boyd-Munce saw a shot saved early on before Armando Junior Quitirna curled a free-kick over the bar for the visitors, with Sutton hitting the post from close range at the other end.

A whole-new second-half XI - featuring academy left-back Arthur Gregory - also went close through Richard Kone, James Berry, Alex Lowry and James Tilley, but Crichlow's intervention was decisive with three minutes remaining.

Blues continue their pre-season campaign at Cheltenham on Saturday.
