

Matt Butcher has left Wycombe Wanderers and joined League Two side Salford City, ending his year-and-a-half stay at Adams Park.

The midfielder arrived in January 2024 and made an instant impact in the side, scoring the winning goal in the EFL Trophy semi-final that took Wycombe to Wembley, as well as hitting a memorable brace in the 2-0 win over Northampton.

Matt played 23 times for the Blues last season before ending the season on loan at Bristol Rovers, and now departs for a new adventure with Salford.

Everyone at Wycombe would like to thank Matt for his brilliant service on and off the pitch and wish him every success for the future.
