

Dan Udoh has completed a deadline day transfer to League Two side Salford City for an undisclosed fee.

The striker arrived at Adams Park last summer and scored 10 times in 57 appearances, as well as contributing four assists.

Head Coach Mike Dodds said: "I've loved working with Dan and he's been an important player for us on the pitch, as well as a really popular lad around the changing room and with the fans.

"He's got an opportunity which is right for him and his family at Salford and I know he will go and be a big success up there, so he leaves us with our best wishes and I hope our paths cross again."

Everyone at the club echoes Mike's words and thanks Dan for being a brilliant part of the club during his time here.
