

Wycombe Wanderers are thrilled to team up with its Foundation and the Florence Nightingale Hospice Charity to host a Winter Market and Santa Dash at Adams Park on Sunday 30th November.

This special festive event runs from 9am til 1pm, with FREE entry to the Winter Market, and an Early Bird discount for participating in the Santa Dash – a 2.5km or 5km run, walk or jog, starting and ending at the stadium – when you book before the end of October.

The Winter Market comprises a wide variety of craft stalls, food and drink outlets, entertainment, stadium tours (when pre-booked via email to commercial@wwfc.com), the chance to buy Christmas gifts from the club shop, the opportunity to stay on to watch live football on TV in Monty's, plus more activities to be announced soon!

The club invite stall holders to book a pitch in the car park for just £25 by emailing emily.isaac@wwfc.com.

The Santa Dash provides a fun opportunity to dust off your best Christmas jumper, collect your Santa hat and join the dash around the local area, in support of the Florence Nightingale Hospice Charity, who deliver dedicated, specialist hospice care to those who need it most every day of the year, and the Wycombe Wanderers Foundation, with proceeds divided equally between the charities.

Entry fees include a Santa hat, commemorative Santa Dash medal and mince pie, and the best-dressed Santa will win a family ticket to a home league game at Adams Park.

Pre-booking is required, with a discount for those who book before the end of October.

Participants are also encouraged to collect sponsorship from friends, family members and colleagues to boost the fundraising total.

You don't need to be involved in the Santa Dash to attend the Winter Market - just come on down and soak up the festivities!
