

We've been drawn at home to Premier League side Fulham in the fourth round of the Carabao Cup.

Wanderers overcame the Cottagers en route to the semi-final of this competition in 2006/07.

And Michael Duff's side earned their place in round four this season with a 2-0 win at Wigan on Tuesday, having seen off Leyton Orient and Bromley in the earlier rounds.

The tie will be played in the week commencing 27th October.
